A BILL

To reauthorize the North Korean Human Rights Act of 2004, and for other purposes.

1 *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 *This Act may be cited as the “North Korean Human Rights Reauthorization Act of 2022”.*

6 **SEC. 2. FINDINGS.**

7 *Congress makes the following findings:*

1 (1) The North Korean Human Rights Act of
2 2004 (Public Law 108-333; 22 U.S.C. 7801 et seq.)
3 and subsequent reauthorizations of such Act were
4 the product of broad, bipartisan consensus regarding
5 the promotion of human rights, documentation of
6 human rights violations, transparency in the delivery
7 of humanitarian assistance, and the importance of
8 refugee protection.

9 (2) The human rights and humanitarian condi-
10 tions within North Korea remain deplorable and
11 have been intentionally perpetuated against the peo-
12 ple of North Korea through policies endorsed and
13 implemented by Kim Jong-un and the Workers'
14 Party of Korea.

15 (3) According to a 2014 report released by the
16 United Nations Human Rights Council's Commis-
17 sion of Inquiry on Human Rights in the Democratic
18 People's Republic of Korea, between 80,000 and
19 120,000 children, women, and men were being held
20 in political prison camps in North Korea, where they
21 were subjected to deliberate starvation, forced labor,
22 executions, torture, rape, forced abortion, and infan-
23 tieide.

24 (4) North Korea continues to hold a number of
25 South Koreans and Japanese abducted after the

1 signing of the Agreement Concerning a Military Ar-
2 mistice in Korea, signed at Panmunjom July 27,
3 1953 (commonly referred to as the “Korean War
4 Armistice Agreement”), and refuses to acknowledge
5 the abduction of more than 100,000 South Koreans
6 during the Korean War in violation of the Geneva
7 Convention.

8 (5) Human rights violations in North Korea,
9 which include forced starvation, sexual violence
10 against women and children, restrictions on freedom
11 of movement, arbitrary detention, torture, execu-
12 tions, and enforced disappearances, amount to
13 crimes against humanity according to the United
14 Nations Commission of Inquiry on Human Rights in
15 the Democratic People’s Republic of Korea.

16 (6) The effects of the COVID-19 pandemic and
17 North Korea’s strict lockdown of its borders and
18 crackdowns on informal market activities and small
19 entrepreneurship have drastically increased food in-
20 security for its people and given rise to famine con-
21 ditions in parts of the country.

22 (7) North Korea’s COVID-19 border lockdown
23 measures also include shoot-to-kill orders that have
24 resulted in the killing of—

1 (A) North Koreans attempting to cross the
2 border; and

3 (B) at least 1 South Korean citizen in Sep-
4 tember 2020.

5 (8) The Chinese Communist Party and the
6 Government of the People's Republic of China are
7 aiding and abetting in crimes against humanity by
8 forcibly repatriating North Korean refugees to
9 North Korea where they are sent to prison camps,
10 harshly interrogated, and tortured or executed.

11 (9) The forcible repatriation of North Korean
12 refugees violates the People's Republic of China's
13 freely undertaken obligation to uphold the principle
14 of non-refoulement, under the Convention Relating
15 to the Status of Refugees, done at Geneva July 28,
16 1951 (and made applicable by the Protocol Relating
17 to the Status of Refugees, done at New York Janu-
18 ary 31, 1967 (19 UST 6223)).

19 (10) North Korea continues to bar freedom of
20 religion and persecute religious minorities, especially
21 Christians. Eyewitnesses report that Christians in
22 North Korea have been tortured, forcibly detained,
23 and even executed for possessing a Bible or pro-
24 fessing Christianity.

1 (11) United States and international broad-
2 casting operations into North Korea—

3 (A) serve as a critical source of outside
4 news and information for the North Korean
5 people; and

6 (B) provide a valuable service for coun-
7 tering regime propaganda and false narratives.

8 (12) The position of Special Envoy on North
9 Korean Human Rights Issues has been vacant since
10 January 2017, even though the President is required
11 to appoint a Senate-confirmed Special Envoy to fill
12 this position in accordance with section 107 of the
13 North Korean Human Rights Act of 2004 (22
14 U.S.C. 7817).

15 **SEC. 3. SENSE OF CONGRESS.**

16 It is the sense of Congress that—

17 (1) promoting information access in North
18 Korea continues to be a successful method of coun-
19 tering North Korean propaganda;

20 (2) the United States Government should con-
21 tinue to support efforts described in paragraph (1),
22 including by enacting and implementing the Otto
23 Warmbier North Korean Censorship and Surveil-
24 lance Act of 2021, which was introduced by Senator
25 Portman on June 17, 2021,

1 (3) because refugees among North Koreans
2 fleeing into China face severe punishments upon
3 their forcible return, the United States should urge
4 the Government of the People's Republic of China—

5 (A) to immediately halt its forcible repatri-
6 ation of North Koreans;

7 (B) to allow the United Nations High
8 Commissioner for Refugees (referred to in this
9 section as "UNHCR") unimpeded access to
10 North Koreans within China to determine
11 whether they are refugees and require assist-
12 ance;

13 (C) to fulfill its obligations under the Con-
14 vention Relating to the Status of Refugees,
15 done at Geneva July 28, 1951 (and made appli-
16 cable by the Protocol Relating to the Status of
17 Refugees, done at New York January 31, 1967
18 (19 UST 6223), and the Agreement on the up-
19 grading of the UNHCR Mission in the People's
20 Republic of China to UNHCR branch office in
21 the People's Republic of China, done at Geneva
22 December 1, 1995;

23 (D) to address the concerns of the United
24 Nations Committee Against Torture by incor-

1 porating into domestic legislation the principle
2 of non-refoulement; and

3 (E) to recognize the legal status of North
4 Korean women who marry or have children with
5 Chinese citizens and ensure that all such moth-
6 ers and children are granted resident status
7 and access to education and other public serv-
8 ies in accordance with Chinese law and inter-
9 national standards;

10 (4) the United States Government should con-
11 tinue to promote the effective and transparent deliv-
12 ery and distribution of any humanitarian aid pro-
13 vided in North Korea to ensure that such aid
14 reaches its intended recipients to the point of con-
15 sumption or utilization by cooperating closely with
16 the Government of the Republic of Korea and inter-
17 national and nongovernmental organizations;

18 (5) the Department of State should continue to
19 take steps to increase public awareness about the
20 risks and dangers of travel by United States citizens
21 to North Korea, including by continuing its policy of
22 blocking United States passports from being used to
23 travel to North Korea without a special validation
24 from the Department of State;

1 (6) the United Nations, which has a significant
2 role to play in promoting and improving human
3 rights in North Korea, should press for access for
4 the United Nations Special Rapporteur and the
5 United Nations High Commissioner for Human
6 Rights on the situation of human rights in North
7 Korea;

8 (7) the Special Envoy for North Korean
9 Human Rights Issues should be appointed without
10 delay—

11 (A) to properly promote and coordinate
12 North Korean human rights and humanitarian
13 issues; and

14 (B) to participate in policy planning and
15 implementation with respect to refugee issues;

16 (8) the United States should urge North Korea
17 to repeal the Reactionary Thought and Culture De-
18 nunciation Law and other draconian laws, regula-
19 tions, and decrees that manifestly violate the free-
20 dom of opinion and expression and the freedom of
21 thought, conscience, and religion;

22 (9) the United States should urge North Korea
23 to ensure that any restrictions on addressing the
24 COVID-19 pandemic are necessary, proportionate,
25 nondiscriminatory, time-bound, transparent, and

1 allow international staff to operate inside the North
2 Korea to provide international assistance based on
3 independent needs assessments;

4 (10) the United States should expand the Re-
5 wards for Justice program to be open to North Ko-
6 rean officials who can provide evidence of crimes
7 against humanity being committed by North Korean
8 officials;

9 (11) the United States should continue to seek
10 cooperation from all foreign governments—

11 (A) to allow the UNHCR access to process
12 North Korean refugees overseas for resettle-
13 ment; and

14 (B) to allow United States officials access
15 to process refugees for possible resettlement in
16 the United States; and

17 (12) the Secretary of State, through diplomacy
18 by senior officials, including United States ambas-
19 sadors to Asia-Pacific countries; and in close co-
20 operation with South Korea, should make every ef-
21 fort to promote the protection of North Korean refu-
22 gees, escapees, and defectors.
